

# RISE TOGETHER

BENEFIT FOR YOUTH

MAY EIGHTEENTH 2022

Stand with us in support for Minnesota's children, youth and families.

The upward climb of the past year has presented many challenges for young people. Lutheran Social Service of Minnesota (LSS) has come together to help build resilience and perseverance to reach the summit of their aspirations.

Please join our statewide virtual gathering in support of LSS Youth & Family Services on Wednesday, May 18. Your generosity will give thousands of young Minnesotans and the adults who care for them access to safety, stability, housing, resources and much more throughout the coming year. Register or give today at [lssmn.org/bfy22](https://lssmn.org/bfy22).
